

After your healthcare provider prescribes ENHERTU, ENHERTU4U can help you get started with financial assistance*

*For eligible patients. Terms and conditions may apply.

**PAY AS
LITTLE AS
\$0**

Eligible patients may pay as little as \$0 per year for ENHERTU out-of-pocket costs. The annual benefit can be used for the cost of the drug itself and may also cover up to \$100 in infusion costs per administration.[†] There are no income requirements to participate in the program.

[†]Patients who are residents of Massachusetts or Rhode Island are not eligible for infusion administration assistance.

ACCESS

Resources are available to help your healthcare provider understand your insurance company's requirements for access to treatment with ENHERTU.

FINANCIAL ASSISTANCE

Multiple options are available to help make your treatment more affordable. Your healthcare provider can tell you more about how ENHERTU4U may be able to help.

For eligible patients. Terms and conditions may apply.
